

Falling Awake: A Dark Psychological Thriller of Romantic Suspense

Insomnia can have the most sinister causes.

Gemmas husband vanishes under mysterious circumstances leaving only a black contorted doodle and mysterious debts. But saving her home proves the least of her worries after Gemma earns urgent cash by performing routines for a chronic insomniac. Voyeurism never hurt anybody. The cause of his insomnia is another matter. As the horrifying truth about her husband unfurls, Gemmas paranoia about her voyeur takes its grip. Note: this novel is also available within an anthology: *Gone Too Far* (3 Psychological Thrillers about Taboo) which is a little cheaper than purchasing the 3 thrillers separately.
