

Mary and Lou and Rhoda and Ted: And all the Brilliant Minds Who Made The Mary Tyler Moore Show a Classic

Jennifer Keishin Armstrong's deft weave of social history and sharp entertainment reporting explains how [The Mary Tyler Moore Show] made the world safe for Lena Dunham (Peter Biskind, author of *Easy Riders, Raging Bulls*) the making of a classic and groundbreaking TV show, as experienced by its producers, writers, and cast. When writer-producers James L. Brooks and Allan Burns dreamed up an edgy show about a divorced woman with a career, the CBS executives they pitched replied: American audiences won't tolerate divorce in a series lead any more than they will tolerate Jews, people with mustaches, and people who live in New York. Forty years later, *The Mary Tyler Moore Show* is one of the most beloved and recognizable television shows of all time. It was an inspiration to a generation of women who wanted to have it all in an era when everything seemed possible. Jennifer Keishin Armstrong's *Mary and Lou and Rhoda and Ted* tells the stories behind the making of this popular classic, introducing the groundbreaking female writers who lent real-life stories to their TV scripts; the men who created the indelible characters; the lone woman network executive who cast the legendary ensemble and advocated for this provocative show and the colorful cast of actors who made it all work. James L. Brooks, Grant Tinker, Allan Burns, Valerie Harper, Cloris Leachman, Betty White, Gavin MacLeod, Ed Asner, Ted Knight, Georgia Engel—they all came together to make a show that changed women's lives and television itself. *Mary and Lou and Rhoda and Ted* is the tale of how they did it.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish

for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
