

Recent Developments in Bankruptcy Law in China: Leading Lawyers on Navigating Current Trends, Advising Clients on Common Legal Issues, and Understanding ... Environment in China (Inside the Minds)

Recent Developments in Bankruptcy Law in China provides an authoritative, insiders perspective on key strategies for representing and advising bankruptcy clients in Chinas current economic, political, and legal environment. Featuring partners from some of Chinas leading law firms, these experts guide the reader through recent changes in Chinas legal landscape, as they provide a brief history of Chinese bankruptcy law and discuss how filings have changed since the new Enterprise Bankruptcy Law. These top lawyers offer tips on understanding the similarities and differences in Chinese and U.S. bankruptcy law, including how the courts administer the laws, the types of bankruptcies filed, and how best to file involuntary bankruptcies. From understanding new reorganization practices to handling common legal issues for clients, these authors give advice on how to integrate new techniques into current bankruptcy strategies. Additionally, these leaders discuss the ambiguities of the Enterprise Bankruptcy Law and the lack of transparency in Chinas bankruptcy regime. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to navigating bankruptcy law in Chinas current legal climate. Inside the Minds provides readers with proven business intelligence from C-Level executives and lawyers (Chairman, CEO, CFO, CMO, Partner) from the worlds most respected companies and firms nationwide. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession, or topic is heading and the most important issues for the future. Each author has been selected based upon their experience and C-level standing within the professional community. Chapters

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
