

A Surgeons Heart The Choice (Volume 4)

The Choice is the story of the unrelenting effort of Dr. Jack Roberts to return to the pursuit of his life's calling as a pediatric heart surgeon. To do so, he must first convince reluctant political powers and giant corporations to support his new, and innovative, patient-centered health care model. Meanwhile, his son, Dr. David Roberts, is embarking on his own journey, as he seeks to join his father in this noble profession. Along the way he finds that the core principles his father taught him are no longer embraced by many of his peers. As the world of health care remains in turmoil, Jack and David must each decide whether they can continue to follow... A Surgeons Heart.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
