

The Dybbuk: and Other Writings (Library of Yiddish Classics)

S. Ansky played a seminal role in the establishment of modern Jewish fiction. This generous collection of his work includes the classic drama, *The Dybbuk*, a haunting tale of ill-fated love, possession, and exorcism in an Eastern European village.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
