

# Shaking Hands with the Devil -- Rafe Velez Mystery 3 (Rafe Velez Mysteries)

Rafe investigates a child custody case that seems to be nothing more than an overreaction by a worry-wart parent. But when thugs insert themselves into the equation, Rafe finds its time to be carrying a gun on the job. Plus, an old nemesis intrudes on his business. Will this criminal mastermind become a new client or his last? A one hour Short Read. Rafe Velez is a fictional character, based on a real person alive today. One thing you can be sure of: you will never, ever guess who he actually is! As a private investigator, Rafe dealt with decades of crime, divorce, death and depravity and barely broke even. Pushing 50, he had a few extra pounds around the middle, a sprinkling of gray hair and a cynical view of life, relieved only by a deadpan sense of humor. All of that changed one day, thanks to a windfall he didnt expect. Enter the world of the Rafe Velez Mysteries: intrigue, suspense, mystery, crime and a cast of characters taken from real life (and changed just enough to protect their identities at least, until the statute of limitations expires). Enter into the mind of a man whose life is an open book that should be suppressed! Meet his friends, frenemies and frequent locations for his adventures: Detectives Toole and Williams, Robbery/Homicides finest said nobody, never. Harpo, a stray dog that wandered into his life and has a great sense of humor. Jean Smalls, the first woman in a long time who threatens to take his bachelor card. Keith Verdi, electrical contractor, who has other talents and secrets. Momo Argento, the semi-retired Don of a crime family, who keeps a hand in the game. The Greasy Spoon restaurant, a real tribute to truth in advertising. The Shiny Penny, your soon-to-be-favorite dive bar. ...and a motley crew of clients and suspects. Expect surprises: not every client is on the right side of the law and not every suspect is guilty. You wont always know whats

going on in the minds of the supporting characters. You will always know exactly what Rafe is thinking unless he's not thinking at all! Discover The Rafe Velez Mysteries. No, really, go ahead! PG Rated no four letter words or explicit sex, but if you read between the lines...

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
