

The Greatest Show in the Galaxy: The Discerning Fans Guide to Doctor Who

The long-running BBC science fiction program Doctor Who has garnered an intense and extremely loyal fan base since its 1963 debut. This work examines the influences of psychology, literature, pop culture, and the social sciences on Doctor Who storylines and characters. Topics explored include how such issues as class, gender, and sexual attraction factor into the relationships between the Doctor and his companions; whether the Doctor suffers from multiple personality disorder or other psychological afflictions; and the role of the Doctors native culture in shaping his sense of identity.

 Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No
 stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
 for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
 nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
 doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
 If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types
 of artwork...anything from pet portraits to painted milkcans! Enjoy your visit! New Products For July
