

North Carolina Divorce Guidebook

As an attorney who focuses entirely on family law, a woman who has children and who has been divorced, a stepmom to two great boys, and someone who grew up with a single dad, I have a prospective on divorce and custody that can only come from having been there myself. Angela White McIlveens compact and clearly organized book, designed to help North Carolina residents understand the legal aspects of divorce, guides readers through spousal support, child support and custody, and property division. Written in clear language, this book covers the emotional, financial, and legal aspects of divorce, and answers questions like, How do we get legal separation in North Carolina? Which marriages are voidable? and What if my spouse is in the military? Angela McIlveen is a partner in the McIlveen Family Law Firm in North Carolina and focuses her practice entirely on family law.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
