

A Licence to be Different: The Story of Channel 4

This book traces how the channel came about, and provides an account of its eventful history through a focus on key figures including Jeremy Isaacs, Liz Forgan, Phil Redmond, Michael Grade, Andrea Wonfor and Michael Jackson. It covers signature and stand-out (for good and bad reasons) C4 programs such as Right To Reply, The Tube, The Comic Strip Presents, The Big Breakfast, The Word, Brookside, Wife Swap and Faking it; the channels success with American imports such as Hill Street Blues, Friends and Sex and the City, and the rise and fall of Film Four. Luke Johnson, Chairman of C4, has contributed a foreword for this book.

stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
