

# Dodd Frank Manual Series Financial Stability (SFI) (Titles I, II, & VIII)

With regulatory implementation of the Dodd-Frank Wall Street and Consumer Financial Protection Act of 2010 well underway, it has never been more critical for counsel and their corporate clients to have a deep understanding of the implications of these regulatory changes on the banking, securities, and financial services sectors. At Wolters Kluwer Law & Business, we've created the Dodd-Frank Manual Series to identify the issues, explore the topics, and dissect the need-to-know regulations. Each volume in this new series, written by Wolters Kluwer Law & Business attorney-editors, explains issues by Title of the Act providing a focused discussion and analysis of specific topics that will expedite your research, giving you the knowledge to confidently advise clients and ensure corporate compliance. Financial Stability (Titles I, II and VIII) focuses on the implementation of financial reform provisions addressing financial stability; orderly liquidation for large, failing financial institutions; and clearing and settlement activities of financial institutions. Included is analysis of the Financial Stability Council regulation on the supervision of systemically significant financial institutions and the Fed and FDIC regulations on resolution plans, aka living wills.

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
