

A Community of Readers: A Thematic Approach to Reading

A Community of Readers, the second of two books in the Alexander reading series, presents college-level reading skills in the context of interesting, contemporary issues relevant to students while offering guided, in-depth instruction in all steps of the reading and learning process: reading, discussing and reflecting, writing, and critical thinking.

 stencils or patterns are ever used. ½ Every birdhouse is treated with several coats of high quality exterior varnish
 for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
 nesting and will often return to the same one year after year. ½ When nesting season ends, the gourd's usefulness
 doesn't end. ½ Birds will continue to use them as shelter from weather and for protection from predators.
