

The Middle-earth Puzzle Collection: Riddles & Enigmas Inspired by Tolkiens World

J.R.R. Tolkien was a master of riddles and wordplay and fans of his towering masterpiece will enjoy this stunning journey through Middle-earth, where curiosities and stimulating puzzles await them at every turn. Gorgeously illustrated, and rich in references to the history, lore, land, and inhabitants of Tolkiens elaborately constructed world, this collection enchants even as it calls for strong solving skills and keen logic. And, like the Fellowship's quest, the enigmas here become increasingly tricky, thrilling, and challenging as they move from the relative safety of Book One to the dangerous adventures of Book Three.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
