

Electronic Discovery Deskbook (November 2015 Edition)

The new second edition of Electronic Discovery Deskbook enables you to meet the legal, procedural, and technical challenges of e-discovery while cutting its costs and risks. The Deskbook helps you to develop information and litigation management policies and procedures that guide you to identify, preserve, collect, prepare, and produce discoverable, electronically-stored information (ESI) in cost-effective, legally defensible ways. Written by legal and technical experts in this specialized field, Electronic Discovery Deskbook helps you to reduce the cost and complexity of e-discovery by showing you how to more easily and quickly prepare, collect, prepare, and produce electronically-stored information (ESI) for discovery purposes. You'll learn how to:

- Create data source catalogs that reduce the cost of preserving ESI
- Document your good faith ESI preservation efforts to lessen legal exposure
- Meet the unique demands of preserving different types of ESI
- Make clear, reasonable e-discovery requests that satisfy legal standards
- Develop cost-efficient ESI collection plans tailored for each discovery request
- Deal with excessive e-discovery requests by proving undue burdens or costs
- Manage risks specific to responding to government requests
- Minimize your exposure to spoliation claims and sanctions

Updated annually, Electronic Discovery Deskbook is an indispensable resource for attorneys, company IT personnel, executives, managers, compliance officers, and government regulators.

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. ½ No stencils or patterns are ever used. ½ Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. ½ When nesting season ends, the gourd's usefulness

doesn't end. ½ Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
