stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.

This new title by Anne Ruff is comprehensive in its coverage of the essential principles of education law. It presents students with a valuable collection of relevant legislation, cases, materials and commentary. The work examines the law relating to schools as well as aspects of further and higher education. In addition Education Law considers a range of issues including an introduction to the growth and scope of education law, and the impact of the Human Rights Act 1998 on this area of law.
