

American Film and Society since 1945, 4th Edition

This post-World War II survey of American cinema provides an in-depth exploration of how film acts as a powerful cultural expression of the American public's dreams and desires. Includes an introduction that addresses the history of the last decade and discusses events such as the attacks of September 11, 2001, Hurricane Katrina, the wars in Iraq and Afghanistan, the economic crisis, and the election of President Barack Obama

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
