

Contract Issues for Emergency Physicians

This easy-to-read book alerts the physicians, especially emergency physicians, to issues central to entering into an employment or independent contractor agreement to provide medical services on behalf of a hospital or physician group. This book covers it all the basics plus using search firms, contract negotiations, equity and benefits, malpractice insurance, employment status, promotion and tenure, billing and termination. What you don't know can hurt you.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
