

Poe Evermore: The Legacy in Film, Music and Television

Edgar Allan Poe exerted a profound influence on many aspects of 20th century culture, and continues to inspire composers, filmmakers, writers and artists. Popularly thought of as a horror writer, Poe was also a philosophical aesthete, a satirist, a hoaxer, a psychologist and a prophet of the anxieties and preoccupations of the modern world. Alphabetically arranged, this book explores Poes major works both in their own right and in terms of their impact on others, including Baudelaire, who translated his works into French; Debussy, Rachmaninoff and the Alan Parsons Project, who set them to music; Roger Corman, Federico Fellini and Jean Epstein, who interpreted his visions for film audiences; and television shows such as The Six Million Dollar Man and Time Tunnel, which borrowed his imagery (and, in the case of The Simpsons, sent it up). A wide range of other responses to his compelling Tales of Mystery and Imagination, his poetry and the theoretical writings, combine strongly to suggest that Poes legacy will indeed last forevermore.

All Products ... New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
