

Country Home: An Old Fashioned Christmas

For country enthusiasts who share traditional values and interests, this book captivates readers with the history and diversity of Christmas collectibles, centuries-old customs, legends and traditions that add joy and meaning to the season. Readers meet eight families from across the country who share their homes and their holiday celebrations. 174 color photos; 108 illustrations.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
