

# Insolvency Litigation

With the growing volume of litigation from receivership that took place in the early to mid 1990s, all practitioners litigating insolvency cases will welcome this detailed practitioner text. Focusing specifically on litigation that is peculiar to insolvency, *Insolvency Litigation* takes the reader systematically through the procedures involved. Written with exceptional clarity, it is a highly practical guide to this specialised area. \* High level text on the specialised aspects of insolvency litigation \* User-friendly approach, written by practitioners for practitioners \* Fully considers cross-border issues

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
