

# Board Accountability in Corporate Governance (Routledge Research in Corporate Law)

Within corporate governance the accountability of the board of directors is identified as a major issue by governments, international bodies, professional associations and academic literature. Boards are given significant power in companies, and as a consequence it is argued that they should be accountable for their actions. Drawing on political science, public administration, accounting, and ethics literature, this book examines the concept of accountability and its meaning in the corporate governance context. It examines the rationale for making boards accountable, and outlines the obstacles and drawbacks involved in providing for accountability. The book goes on to examine how current mechanisms for ensuring accountability are assessed in terms of fairness, justice, transparency, practicality, effectiveness and efficiency, before discussing the ways that accountability might be improved. Andrew Keay argues that enhanced accountability can provide better corporate governance, helping to reduce the frequency and severity of financial crises, and improve confidence in company practice. As an in depth study of a key element within the exercise of authority and management in corporate entities, this book will be of great use and interest to researchers and students of corporate governance, business and management, and corporate social responsibility.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
