

Legal Affairs: Essential Advice for Same-Sex Couples

A groundbreaking book for gay and lesbian couples. In this country, same-sex marriages have yet to become legalized even though increasing numbers of lesbian and gay couples are forming and maintaining long-term relationships. In a friendly and informal tone, *Legal Affairs* presents critical concerns facing individuals whose partnership is not protected by the laws of marriage. It covers the social, legal, psychological, and financial aspects of forming or dissolving same-sex partnerships as it encourages couples to design for themselves a balanced and equitable union that will survive the good and bad times. A unique blend of practical advice, wise counsel, and social history, it features a comprehensive discussion of a variety of legal and financial arrangements that lead to securing and legally binding a relationship. It reviews the commitment process; the details of making written agreements; and taxation and the extended family. It also offers concrete advice concerning the ending of a union that may involve children, real estate, and personal property. Sensitively recognizing the personal and political dynamics involved in same-sex partnerships, this wonderfully comprehensive guide is sure to become a must-have for gays and lesbians.

stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
