

Angels & Shepherds

Following personal tragedy, a washed up talk jock, Matt Payne, lands a late night radio format in Trenton, NJ. On Christmas Eve, Matt meets a caller named Sean, who has knowledge about every caller and Matt's own life and tortured past. Angel and celebrity hysteria create global social unrest. Consequently, Counting Sheep with Matt Payne gets traction and becomes the most heard show in broadcast history.

 stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
 for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
 nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
 doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
