

The Rights of Law Enforcement Officers

Often lost in the focus on the rights of criminal suspects is the notion that law enforcement officers themselves possess rights. Those rights are often poorly understood and sporadically applied. This book is a comprehensive review of the rights of law enforcement officers. The book is designed for the layperson, yet contains the supporting case law and statutory citations necessary to make it a reference tool for attorneys. This sixth edition of The Rights of Law Enforcement Officers contains numerous changes from previous versions of the book, in areas ranging from free speech, to the Garrity and Weingarten rules, to a discussion of major shifts in the law in areas such as discrimination. It also includes references to hundreds of new cases decided in the last five years.

New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
