

Grant: A Novel

Max Byrd, the renowned author of *Jackson* and *Jefferson*, brings history to life in this stunning novel set in America's Gilded Age. Grant is an unforgettable portrait of a colorful era and the flawed, iron-willed, mysterious giant at its center. Ulysses S. Grant pursued a tragic war to its very end. But his final battle starts in 1880, when he loses his race to become the first U.S. President to serve three terms, goes bankrupt, and begins a fight against cancer that will prove to be his greatest challenge. Through journalist Nicholas Trist, readers follow Grant's journey and along the way meet Grant's sworn enemy Henry Adams and Adams's doomed wife, Clover, the old soldiers Sherman and Sheridan, and the always clever, always scheming Mark Twain. Revealed here are not only the penetrating secrets of our eighteenth president, but the intimate power-brokering that led to the end of Grant's career, setting the stage for a new era in American history one defined by politics, not warfare. Serious, intricate . . . gripping . . . Byrd is an expert at linking the products of his own imagination with historical facts. The New York Times Book Review With the license and gifts of a first-rate novelist, Max Byrd has managed in *Grant* to reveal the man far better than those who have tried before. San Francisco Chronicle A vibrant, stunning story of Grant's last years, but best of all, a gripping tale of the reborn nation on the other side of the war. Civil War Book Review Splendid . . . nothing less than a visit with greatness. Associated Press Historical fiction doesn't get any better than this. Booklist

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for

nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
