

## Douglass Women: A Novel

The critically acclaimed author of *Voodoo Dreams* delivers an inspired work of historical fiction about the warring passions that drove the great abolitionist Frederick Douglass and two women -- one black, one white -- who loved him. *Douglass Women* reimagines the lives of an American hero, Frederick Douglass, and two women -- his wife and his mistress -- who loved him and lived in his shadow. Anna Douglass, a free woman of color, was Douglass wife of forty-four years, who bore him five children. Otilie Assing, a German-Jewish intellectual, provided him the companionship of the mind that he needed. Hurt by Douglass infidelity, Anna rejected his notion that only literacy freed the mind. For her, familial love rivaled intellectual pursuits. Otilie was raised by parents who embraced the ideal of free love, but found herself entrapped in an unfulfilling love triangle with America's most famous self-taught slave for nearly three decades. In her finest novel to date, Jewell Parker Rhodes vividly resurrects these two extraordinary women from history, portraying the life they led together under the same roof of the Douglass home. Here, fiery emotions of passion, jealousy, and resentment churn as the women discover an uneasy solidarity in shared love for an exceptional and powerful man. *Douglass Women* fills the gaps and silences that history has left in an unforgettable epic full of heartache and triumph.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
