

The Carpe Noctem Chronicles: Of Blood and Magic: Of Blood and Magic

Vixys quest for blood continues with her having to visit an island of deadly Sirens, a village of animalistic Vampires, a run-in with Werewolves, and much, much more in her strive to save her brother Alex's life. But even if she survives all the dangers she has to face dead-on just to obtain the blood she needs, will she accomplish the request from the Witch Navinanex to even perform her magic. Will Vixy survive the ritual itself that takes away her humanity, and if she survives it, in exchange will she lose her sanity? And just what comes next for her if she does . . .

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
