

The Funeral Preplanning Guide Volume One

Preplanning your funeral is the best way to ensure a ceremony that celebrates your time on earth without bringing extra stress to your loved ones. The Funeral Preplanning Guide is your go-to resource for information on preplanning funerals. It will help you: Bring peace of mind to your survivors by eliminating many of the decisions they will have to make following your death. Save money on services and products, including caskets, burial locations, and more. Decide how your body will be prepared, handled, and preserved. Avoid mistakes and anxiety by thinking deeply about what you want ahead of time. The Funeral Preplanning Guide Volume One will help you prepare necessary legal documents, select a funeral director, and choose how to be interred.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
