

Winning Concepts in Draw & Lowball

This is the ultimate book for anyone trying to master these games. It is for both the typical player and the professional player. The text is partitioned into sections that are designed to help all players grow and improve their games. Also, it teaches you how to think like a top player which is absolutely essential to winning play. Topics discussed include poker reasons, basic mistakes, basic strategy, technical plays, advanced strategy, jackpot games, killing the pot, psychology, game theory, high-draw mathematics, and advanced plays. Advice is also provided on bluffing errors, lowball value betting, profitable losing bets, playing patterns, going all in, acting the opposite, raising with weak hands, ante structure and game size, getting maximum value, cat hops, and image plays.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
