

# The Script Selling Game- 2nd edition: A Hollywood Insiders Look at Getting Your Script Sold and Produced Second Edition

The Script-Selling Game is like having a mentor in the business who answers your questions and provides you with not only valuable information, but real-life examples on how to maneuver your way through the Hollywood labyrinth. While the first edition focused mostly on film and television movies, the second edition includes a new chapter on animation and another on utilizing the Internet to market yourself and find new opportunities, plus an expansive section on submitting for television and cable.
