

One Mind, One World- A coloring book and journal

Our journal/coloring book is an interfaith workbook for children and adults alike which explores interfaith peace between religions - Buddhism, Christianity, the Mayans etc. Experiment with gods and goddesses, to create your own reflections on ecumenicism, multi-culture and pluralism. It becomes a visual journal, where you color the illustrations as well as write the text. One Mind, One World is a pathway to peace, rejoicing in our Diversity through interfaith Dialogue. As a guide, the Workbook h Ambassadors for interfaith gives information so you can explore faiths practices around the world.

Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
