

Law of Torts (M & E Handbook Series)

Addresses the implications of recent developments in a clear and concise manner as well as providing a detailed introduction to the area as a whole. The eighth edition contains a wealth of case law including:

- *Professional negligence (surveyors)
- *Negligent financial advice (banks)
- *Mortgage fraud (solicitors)
- *Environmental issues (multi-nationals)
- *Post traumatic stress disorder

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
