

Firework

Praise for Eugene Martens Waste: When a poet pal had put a copy of Waste into my hands, I right away went nuts. . . . Here, said I, in wild proclamation, is one for history and a half. Gordon Lish Firework is the story of a man who, though ill-equipped to help himself, attempts to help someone else, and the beautifully rendered, perhaps necessary catastrophe that results. Unequaled in intensity and often blackly humorous, it is also an exhilarating expression of the all-too-human impulse to become more than what we seem to be. Eugene Marten is the author of In the Blind and Waste.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
