

Making Your Case: The Art of Persuading Judges, Limited Edition

Amazon is honored to offer a luxuriously packaged, numbered, premium bonded leather, limited edition of Making Your Case: The Art of Persuading Judges. Limited to 2010 numbered copies, this Collectors Edition is bound in high quality bonded leather with accompanying hardbound slipcase. In their professional lives courtroom lawyers must do these two things well: speak persuasively and write persuasively. In this noteworthy book, two of the most noted legal writers of our day Justice Antonin Scalia and Bryan A. Garner systematically present every important idea about judicial persuasion in a fresh, entertaining way. Making Your Case: The Art of Persuading Judges is a guide for novice and experienced litigators alike. It covers the essentials of sound legal reasoning, including how to develop the syllogism that underlies any argument. From there the authors explain the art of brief-writing, especially what to include and what to omit, so that you can induce the judge to focus closely on your arguments. Finally, they show what it takes to succeed in oral argument. The opinions of Justice Scalia are legendary for their sharp insights, biting wit, and memorable phrasing. The writings of Bryan A. Garner, editor in chief of Black's Law Dictionary, are respected inside and outside legal circles for their practical guidance on the art of writing and advocacy. Together the Scalia-Garner team has produced a fresh, innovative approach to a timeless topic.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
