

Big Red Flowers

Based on a true story. Set in the harsh urban environment of Kenyas capital city, Nairobi, Big Red Flowers is based on a true story. It is the story of Brett and Stella, born of different races and of divergent backgrounds. It is a story of love, of passion, and eroticism. It is also a story about life in urban Africa, about the very real effects of African witchcraft, and of lives devastated by people unknown, and forces unseen. Big Red Flowers will surprise Western readers and will shock a great many too. It is a tragic story that ultimately leaves readers to ponder just how wrong things can go when disparate worlds collide...

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
