

Dont Stop Believin: The Unofficial Guide to Glee

The kids in McKinley High Schools glee club, New Directions, might not be the most popular, but Glee is unquestionably a runaway hit. Since its premiere in May 2009, Glee has exploded as one of the most popular hours on TV, earning an astounding 19 Emmy nominations in its first season. In addition to the shows staggering success, Glee's songs have been heating up the music charts, with 25 tracks on the 2009 hot 100 list, a hit - rate topped only by the Beatles when they had 31 hits in 1964. Dont Stop Believin pays tribute to the glorious mash - up of music, comedy, drama and social commentary that has put Glee and its band of misfits in the spotlight. Written by gleeeks extraordinaire Erin Balser and Suzanne Gardner, the book is jam - packed with: an in - depth episode - by - episode exploration of the show, focusing on themes, storylines and main characters all the details on the hit songs in every episode, behind - the - scenes happenings and the shows entertainment and cultural references exclusive interviews with Glee actors including Stephen Tobolowsky (Sandy Ryerson), Heather Morris (Brittany), and Ken Avenido (Howard Bamboo) personal stories from fellow gleeeks about what the show means to them biographies of the principal players and guest stars the story of the making of Glee and how it was brought to life by creator Ryan Murphy fun and informative sidebars terrific on - and off - set photos of the cast Capturing all the highs and lows of this ground - breaking series, Dont Stop Believin is a show - stopping guide to Glee's journey - the perfect companion for fans who demand an encore once the curtain falls.

stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
