

Custody Issues: Where Should The Children Live? (Got Issues? Book 1)

Deciding with whom your children will live once your divorce is final can be one of the most important, yet heart wrenching, decisions you will make. This book identifies and defines different types of physical custody, helps you make the best decision for your children, and gives you insights to how the courts will view your case if you find yourself in a custody battle. This knowledge will give you what you need to make informed decisions so that you can move your life forward.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
