

A Wartime Christmas (Christmas anthologies)

A nostalgic look at Christmas during wartime, based on the memories of wartime veterans and their families, and including accounts of Christmas under fire, Christmas in POW camps and Christmas on the home front.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
