

The Power of the Dark Side: Creating Great Villains, Dangerous Situations, & Dramatic Conflict

Conflict is the very heart and soul of drama, and Smiths latest work explores character conflict and the various ways to portray it both in scripts and on the stage.

 stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
 for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
 nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
 doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
