

# Tell Me How You Love the Picture: A Hollywood Life

Ed Feldmans unique story takes readers on a journey through Hollywood that few can tell--and most will never forget. With tales from the set of Whatever Happened To Baby Jane to why a well know actor trashed Eds office and why a major Hollywood mogul tried to turn all of Tinseltown against one of Eds films, readers will learn what it takes to produce a film and survive the jungles of Hollywood. This smartly written, surprising, hilarious memoir takes us behind-the-scenes with wild, no-holds-barred stories about major Hollywood stars, from Bette Davis to Elizabeth Taylor, Stanley Kubrick to Harrison Ford, to Jim Carrey to Eddie Murphy to Glenn Close, and many more. This incredible Hollywood memoir from one of moviedoms renowned producers is full of insight and the stuff of gossip, bad behavior and high success. Ed Feldman has seen the film business from the inside out, worked with some of the best talent in the industry, and experienced things few can imagine about Hollywood, and now he tells it all.
