

100 Vignettes for Improving Trial Evidence Skills

This book contains vignettes of trial testimony all designed to raise evidentiary issues in the context in which they occur. Whether this resource is used in an evidence or trial advocacy classroom, professional learning environment, or for your own personal study, the vignettes are extraordinary examples of how specific evidentiary issues arise at trial. Additionally, this resource provides a context for a better understanding of the rules of evidence as they are applied - a skill set every successful attorney acquires.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
