

Justice While Black: Helping African-American Families Navigate and Survive the Criminal Justice System

Justice While Black is a must-read for every young black male in America and for everyone else who cares about their survival and well-being. This is a first-of-its-kind essential guide for African-American families about how to understand the criminal justice system, and about why that system continues to see black men as targets and as dollar signs. The book provides practical, straightforward advice on how to deal with specific legal situations: the threat of arrest, being arrested, being in custody, preparing for and undergoing a trial, and navigating the appeals and parole process. The primary goal of this book is to become a primer for African Americans on how to avoid becoming ensnared in the criminal justice system. While the precarious safety of black males has received renewed interest in the past year because of the deaths of teenagers Trayvon Martin and Jordan Davis, the fact is that this group has always been under threat from the armed guardians of the white social order. The tactics have been modernized, but the impact is still devastating we are witnessing an epic criminalization of the African-American community at levels never before seen since the end of slavery.

New Products - more Information Shipping & Returns Privacy Notice Conditions of Use Contact Us Site Map Gift Certificate FAQ Discount Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
