

Judicial Misfits: A Factual Expose of an Industry Answerable Only to Itself

This book exposes the outrageous misconduct involving judicial misfits throughout the USA and in several foreign countries. It details their misconduct under various titles like: Child Molesters, Porn Surfers, Misc. Perverts, Whores, Repeaters, Racists/Bigots, Drunks, Morons and Pugilists. Since there were so many deserving candidates for this first edition, I have offered my apologies to those eminently qualified candidates that didnt make the cut. Put simply, so many deserving candidates and so few pages. Members of the Judicial Industry would have us believe that they are members of the most ethical profession known to mankind. Although its arguably not the oldest profession, it is, according to them, the most honorable (Sorry girls!). The facts set forth in this book will disprove the judicial mantra of Were held to a higher standard of conduct. Read and weep; these pages are amazing, but true.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
