

Finding Alaska: Artistic Images of Land Creatures... to Color!

Finding Alaska is a coloring book for grown-ups filled with 22 detailed hand-drawn images by Alaskan artist, Brittney Kauffman. This coloring book is full of 8x10 one-sided pages so that you can frame your finished art. Each page has a fun fact on the back about the animal that is on the front of that page. Coloring detailed drawings has been shown to relieve stress, so what better way to do that than to color these wonderful creatures that you can hang on your walls! Let your imagination run wild as you color these majestic creatures native to the last frontier. There are no rules! You can color outside the lines if that's your thing. Hidden in every hand-drawn picture is the word Alaska to add even more excitement. Each print is suitable for framing your completed work of art. Release your inner child and let your daily stress melt away as you color your way to hours of enjoyment.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
