

SAT Prep Book 2014: Secrets to Conquering the SAT Study Guide

Are you maximizing your SAT score? Traditional SAT study guides and prep books have followed the same format for decades. Written by independent, professional tutors to simulate the experience of private tutor sessions, the Accepted, Inc. SAT prep book 2014 is specifically designed for increasing ANY students score - regardless of their current scoring ability. With a page count at only 25% the length of competitors study guides, Secrets to Conquering the SAT prep book will increase your SAT score, while significantly decreasing your study time. Dont focus your attention relearning elementary school concepts. If you need to know it, it is in our book. Secrets to Conquering the SAT does not contain filler or fluff , so you can work through the guide at a significantly faster pace than other SAT prep books. By allowing a student to focus ONLY on those concepts that will increase their score, study time is more effective; The student does not lose focus or get mentally fatigued. Dont believe us? Check the page count of other popular SAT study guides...some are over 900 pages long! We dont agree with the idea of bigger is better. We think better is better, and our SAT study guide is just that. Better. - 300 practice questions with worked-through solutions - Key test-taking tactics that reveal the tricks and secrets of the test - Simulated one-on-one tutor experience - Organized by concept with detailed explanations - College application tips included - SAT tips, tricks, and Test Secrets revealed - 25% of the page count of most SAT study guides Learn the real secrets to improve your SAT skills and achieve the score you need with Accepted, Inc.
