

# Scrambling for Protection: The New Media and the First Amendment (Pitt Series in Policy and Institutional Studies)

In our age of media revolutions, Patrick M. Garry offers guidelines for constitutionally redefining the press, and maintains that the First Amendment press clause must broaden the scope of its freedoms to include the communication activities of a much larger public.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
