

Blessed Darkness

Madelynn Matthews has grown up in a quiet town in the Blue Ridge Mountains. She is quiet, a bit withdrawn, not one to draw unnecessary attention to herself. Madelynn gets a little more than she anticipates the night Gabriel Thomas finds her by following the sound of her heart beat. He is a complete stranger, and yet Madelynn finds herself drawn to him. She learns that his family is hiding a secret that could change everything in life that she ever accepted as truth. Gabriels family are vampires, nature enchanters that control the four basic elements: earth, wind, air, and fire. The one stability in her life has always been her best friend, Khalen Scott, but when the unthinkable happens Khalen is thrust unwillingly into the world of mythological creatures. Madelynn's life suddenly is not so dull anymore.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
