

Lets Talk Safety 2013: 52 Talks on Common Utility Safety Practices for Water Professionals

This annual publication provides water professionals 52 short briefings tailored specifically for water utility employees. Each briefing covers a single key topic so is geared for 1 staff training session each week of the year. A CD-ROM version of the 52 topics with accompanying DVD with related video clips is also available. (9781583219225)

 Coupons Newsletter Unsubscribe All my gourd creations are original, handcrafted, signed and dated. No
 stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish
 for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
 nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness
 doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
 If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types
 of artwork...anything from pet portraits to painted milkcans! Enjoy your visit! New Products For July Pair of
