

Death Mask (Dr. Anya Crichton)

When the victim of a violent gang rape accuses five premier sportsmen of the attack, she has no idea that her suffering has only just begun . . . Its a scandal that rocks a nation of sports fans. But, in spite of a huge amount of evidence, no one seems to believe her. So when Dr Anya Crichton, a forensic expert in sexual assault, is asked to become involved by the team managers, she simply cant say no. But as she investigates further, Anya realises that the scandals, violence and abuses run much deeper, and much further into the past than she could ever have imagined. And its down to her to find out exactly whos responsible. Before it happens again.

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators.
