

Advantage: Grammar, Gr. 8

This series helps prepare students to communicate effectively as writers. Students learn how to craft sentences and paragraphs for various purposes and to edit their own work. The content of each lesson is strongly linked to the content area curriculum for the grade level, so students learn about science, social studies, and literature as they learn to write. This series will also prepare students to perform successfully on language and writing sections of proficiency and standardized tests.

 stencils or patterns are ever used. ½ Every birdhouse is treated with several coats of high quality exterior varnish
 for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for
 nesting and will often return to the same one year after year. ½ When nesting season ends, the gourd's usefulness
 doesn't end. ½ Birds will continue to use them as shelter from weather and for protection from predators.
