

Mentalism Unleashed

MOVE OVER 13 STEPS TO MENTALISM...The modern secrets of mentalism have been kept locked away to a select few. That is until now. Unlike other bibles of mentalism that came before, you will learn modern 21st century techniques for all the great effects of mentalism. Easy to learn with full color photos and embedded Quicktime video clips! There's no fluff in this manuscript. It was written by a collaboration of mind reading experts. You'll learn to: Melt coins into liquid metal in a spectator's hand; Learn the basics of bending metal and learn a new twist that looks truly psychic (with video); Melt forks and spoons; Crash course in mind reading; 21st century clear clipboard; Impromptu book test (You'll never be left without a master piece since all that is needed is your mind); Think a Card; Visually bend keys, coins, and utensils; Pseudo-Hypnosis routines including a reminiscence styled routine and a psychic thought jump; Learn to light up a light bulb using PK; can be done any time anywhere even with short sleeves; 2nd Kindle edition 2009; 84 pages (photos, original videos removed due to formatting of kindle devices...)

No stencils or patterns are ever used. Every birdhouse is treated with several coats of high quality exterior varnish for protection from the elements and to ensure colors will stay bright throughout the seasons. Birds love gourds for nesting and will often return to the same one year after year. When nesting season ends, the gourd's usefulness doesn't end. Birds will continue to use them as shelter from weather and for protection from predators. If you don't see what you want, please contact me for a custom made gourd creation or inquire about other types of artwork...anything from pet portraits to painted milkcans! Enjoy your visit!
